From a real Our Lady of the Prairie Catholic School Family

–The Brueggemeier's:

“As parents we are entrusted with precious gifts, our children, from God. We are responsible for educating them in the Catholic faith. In choosing Our Lady of the Prairie School for a catholic education to continue nurturing that faith in the every day activities/studies at school was an easy decision. The values-based curriculum, high academic standards, small class sizes and attentive teachers are all reasons why we chose Our Lady of the Prairie Catholic School. Being able to watch them grow in the Catholic faith is PRICELESS.”
