

# Our Lady of the Prairie Catholic School

Something great is happening.....

*“Without faith our children will never be rich;  
with faith they will never be poor.”*

*Blessed Joseph Tovini*

Blessed Joseph Tovini's honesty, integrity, and efforts to safeguard Christian values through social and political battles were rooted in his deep, vital relationship with God, which he constantly nourished with daily prayer, the Eucharist, meditation and devotion to the Blessed Virgin. He was the father of 10 children, one of whom became a Jesuit and two women religious.

At Our Lady of the Prairie Catholic School, your children will be given the tools to succeed, in the present and in the future, and to be a light of Christian values in our world. Our exceptional teachers work hard to tailor each child's education to their specific needs. Your child is receiving more than just an outstanding education, your family is receiving something priceless.

*From an Our Lady of the Prairie Catholic School Family – The Feddersens:*

“We have sent all three of our sons to Our Lady of the Prairie Catholic School. OLP did a wonderful job preparing our oldest child for middle school. The teachers there fostered a love of reading that continues today. He was recently listed on the 'A' honor roll. Our middle child is developing a strong interest in science and benefits from the small class sizes and close friendships formed in mixed grade classes. Our youngest child is in the 3yr old preschool and has shown amazing improvement in speaking, counting, and social skills.

OLP Catholic School hasn't just helped our children. As parents, we have had the good fortune to make some great friends through the many volunteer opportunities that are available at OLP. The money we have spent on our children's' tuition pales in comparison to what we have gained by having our children at OLP. ”
