

Our Lady of the Prairie Catholic School

Something GREAT is happening.....

“...Choose this day that which pleases you, whom you would rather serve...but as for me and my house we will serve the Lord.”

Joshua 24:15

At our lady of the Prairie Catholic School, the Roman Catholic Faith is integrated in all we do, making it central in your child's and your families lives. **Our Catholic Church becomes the center** of your child's social, educational, and spiritual life.

From a graduate of Catholic Schools – Father Michael Kaluza:

“I have so many very fond memories of Saint Peter's Catholic School in Richfield, Minnesota. What I remember most of all is that outside of the family home, it was the place where we lived our lives. I can rave about the great education, small classes, high expectations, demanding curriculum, and many other good things, but what was most beneficial for my family was the social environment.

Whenever we went to church we saw our teachers, classmates and their families. All of my friends were at church and all of my parents' friends were at church. We played intramural sports at church and my parents were able to visit with other parents (and you know what happens when parents visit with other parents - that could be a whole bulletin insert). The entire school was truly a family that loved and cared about one another.

It was also a tradition, as my parents had attended Catholic schools. Catholics were expected to send their children to the parochial school and without question they trusted the wisdom of the church and wanted their children raised with faith as the priority. Consequently, we were also given a great education. I have no regrets about attending parochial school. In fact, I couldn't imagine my life without it. ”
