

Our Lady of the Prairie Catholic School

Something GREAT is happening.....

“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him, and He will make your paths straight.”

Proverbs 3:5-6

At our Lady of the Prairie Catholic School, your children are given a firm foundation in the Catholic Faith every day throughout the day.

We don't know what God has in store for our Children's futures and what paths they will take when they leave home. But, we can **give them the gift of a Catholic Education**, laying the foundation for them to choose the path that leads to God!

From a real Our Lady of the Prairie Catholic School Graduate - Kelly Huber:

Why choose a Catholic school?

From a Catholic school graduate perspective

"I went to Catholic school from 1994-2000. For me, there was no option (until the summer going into 5th grade); my parents told me that I had to go to Catholic school. That was the best decision they could have ever made for me, and I am extremely thankful for that. Going into 5th grade, I knew that I was going to be the only girl in my class, so my parents decided to give me the option of continuing with parochial school or beginning public school. I remember not even hesitating as I said, "I want to keep going to OLP." My experience had been so wonderful that I was not about to change it sooner than I had to.

Having a Catholic edification as the foundation of my entire education helped me to make God a priority and instilled within me the morals and values I still hold true. Had my parents chosen to send me to public school I would not have gotten that much needed, Christ-centered foundation. Now I am able to turn to God for help and during good times and bad times."
