

Our Lady of the Prairie

Something great is happening.....

*Train up a child in the way he should go,
and when he is old he will not depart from it.*

Proverbs 22:6

At our lady of the Prairie Catholic School, your child is educated in the Roman Catholic Faith **all day**, in everything they do. This **consistent, daily** exposure to their faith is developing the minds, hearts, and spirits of the Catholic Church of our future!

From an Our Lady of the Prairie Catholic School Family – the Schroers:

“There are many reasons that we chose to send our children to Our Lady of the Prairie school. Raising children today to become responsible and faithful adults can be a daunting task. We chose Our Lady of the Prairie School because it allowed them to be immersed in an environment that nurtures faith and encourages spiritual growth. Prayers, Mass, traditions, works of charity and having a priest in the classrooms all contribute to the formation of a well rounded child of God. We believe that the foundational work done at Our Lady of the Prairie school helped to stir an early awareness in our children of how God is a part of their everyday life. We also credit it for being crucial in the development of our son Aaron's vocation to the priesthood. Aaron is a 6th year seminarian at Saint Paul School of Divinity at the University of St. Thomas. Thank you Our Lady of the Prairie Catholic School, and thank you Our Lady, for what you have done to help a couple of young parents raise faithful and knowledgeable adults.
