

PREP Board Meeting  
Minutes from May 20, 2014

In attendance:

Maureen Daly, Loree Heinkel, Lisa May, Patrick Schroers, Paula Covington, Janice Teal, Mike Greg Kellogg.

Old Business:

- New board member Greg Kellogg was introduced and welcomed.
- Calendar is mostly set for the year. We will be adding TEC dates when they are available.
- VBS registrations are coming in. The school building demolition will not affect VBS.
- First Communion went well. It was a very large class.
- Confirmation went well. Pictures were taken professionally and we are waiting for them online.
- Summer Stretch plans are in the works. Morning instruction/service project. Afternoon fun activity.

New Business:

- Youth room –Tom Schultz is giving an estimate for the work needed for the youth room. Work must be completed by August 1<sup>st</sup>.
- Youth minister – discussed having a breakout session in September to talk about youth minister, duties, how many hours, when could we hire, etc.
- PREP Update – are people reading it? Maybe have a prize for the first person to respond to a question in the update every week. The overall comment was it is informative and the people who read it like it.
- Catechist returning – Most of the 7-10 are returning. We will be looking for a couple for K-6.
- Review of year comments – Positive: Lenten Cross with nails, asking kids what the gospel was about. Things to improve: Teaching the color for the time periods. Most kids/catechist don't know this. Large group for 7-10 on the night of Communal Penance is not effective. Break out into classes and let catechists talk about confession.

Meeting adjourned 7:40 p.m.
