A Message from the Deacon

LUNCH WITH GOD

A little boy wanted to meet God. He knew it was a long trip to where God lived, so he packed his suitcase with Twinkies and a six pack of root beer and he started on his journey. When he had gone about three blocks, he met an old women. She was sitting in the park just staring at some pigeons.

The boy sat down next to her and he opened his suitcase. He was about to take a drink from his root beer when he noticed that the old lady looked hungry, so he offered her a Twinkie. She gratefully accepted and smiled at him.

Her smile was so pretty that the boy wanted to see it again, so he offered her a root beer. Again, she smiled at him the boy was delighted!

They sat there all afternoon eating and smiling, but they never said a word. As it grew dark, the boy realized how tired he was and he got up to leave, but before he had gone a few steps, he turned around and ran back to the old woman, and gave her a hug. She gave him her biggest smile ever.

When the boy opened the door to his own house a short time later, his mother was surprised by the look of joy on his face. She asked him, "What did you do today that made you so happy?"

He replied, "I had lunch with God." But before his mother could respond, he added, "You know what? She had the most beautiful smile I have ever seen!"

Meanwhile, the old woman, also radiant with joy, returned to her home. Her son was stunned by the look of peace on her face and he asked, "Mother, what did you do today that made you so happy?" She replied, "I ate Twinkies in the park with God." However, before her son responded, she added, "You know, He is much younger than I expected."

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest complaint, the smallest act of caring, all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a life time. Embrace all equally!

Have you ever thought about when you see someone in distress or in need of someone to talk to that that person is Jesus in disguise to see if you would take the time to stop and just say hello? Just remember that we are all created in the image of God. As we go through our busy schedule every day, when we meet anyone just say hello, or just give them a smile, whether they return the same to you or not. Have you ever had lunch with God without realizing it was Him?

Peace,

Deacon Bob Raleigh

The Catholic Church is the Church founded by Jesus Christ; it is the same Church mentioned in the New Testament of the Christian Bible. The term "Catholic" means "according to the whole;" it was used early in the Church's history to distinguish her from a number of other gatherings whose teachings and practices were not true to the authoritative teachings of Christ's apostles. All human persons are invited and encouraged to accept the salvation offered by Jesus through His one, holy, catholic and apostolic Church by living the sacramental life offered by the Catholic Church. It is the mission of Our Lady of the Prairie Catholic Church to offer this life to the people of Belle Plaine, Minnesota and its environs.

If you would like to become Catholic, please contact Fr. Michael Kaluza in person or by email at: mkaluza@olp.church.

"Know It All News"

Our Lady of the Prairie, 200 E Church Street Belle Plaine, MN 56011

PRINCIPAL LETTER

During these first few weeks of school at OLP, teachers have made extra time to settle students into the routines of a typical school day. Often, despite all of the excitement, students may find the transition from summer to school year difficult. Try to carve out a routine at home where backpacks are emptied together and completed homework is discussed.

At school this week, students began their specialist classes. Students spend time each day in gym, art, library, technology or music. The specialist classes help to enrich and extend learning in the core subjects, meeting all learners needs!

On Friday, K-2 students will have their initial fall assessment through FAST and the Belle Plaine Public Schools. This will give teachers a summary of where students are at coming from summer break. We will be assessing the students throughout the year and results will be sent home when available.

If your child qualifies for Title services, you will receive a letter. All Title services will be held at OLP at least once a week for your child. Ellen Vanravenswaay from the Belle Plaine Public Schools is the Title One Specialist for our school.

As you learn more about your teacher and classroom expectations, please do not hesitate to drop an email to your teacher. I'm also available at walesio@ourladyoftheprairie.com and look forward to hearing from you.

Peace, Wendi Alessio

Please join us as we worship God and give thanks for our many blessings!

Teacher Scoop

MRS. URLICK

This week the K-1 class is previewing all the different books that we will be using this school year. We are still practicing good hygiene and hand washing too! We are talking about the importance of social distancing, wearing a mask inside, and learning how we can still play with friends while doing these things. It will be a unique school year, but so far we are so thrilled to be back at school with all of our friends.

TEACHER ASHLEY

It's a new year and a new adventure! Preschoolers are meeting friends and learning the routine. Tickle Bumblebee is a friendly bee puppet that has been buzzing around our classroom asking friends names. This week hot lunch was a choice. Part of our morning routine, each child checks their name in by answering the question: Do you have a lunch box? Yes or No. We will start to identify our name and the name of others. Our theme is God made me special.

MR. LOPAHS

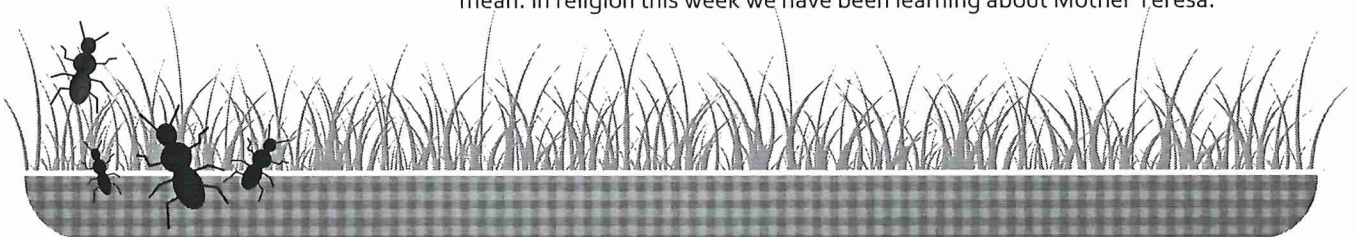

We have hit the ground running to start the year in 5th and 6th grade! From weekly spelling tests, Math quizzes, and Daily Bible work we are establishing a work ethic that will take on the rigors that our school year will bring. And we are having fun too! In Social Studies and Science we are incorporating the use of Google Classroom to the 4th, 5th, and 6th graders to introduce a new way to do school, either in the class or at home. Subjects we are tackling in the beginning of the year include Map work, the Water Cycle, Weather Patterns, and the Topography of the US.

MS. CATES

We had a fabulous first week back at school. It is so nice to see everyone together learning again. We are getting back into the swing of things and our new learning routine. In religion, we learned about young Jesus and what he liked to do for fun. In social studies we learned about Patriot day and what makes a hero. In science we did an apple experiment and learned about germs and how to stay healthy. In math, the second graders reviewed their addition to 20 facts and the third graders reviewed place value and expanded form.

MRS. ALESSIO

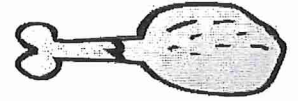

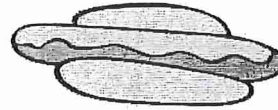

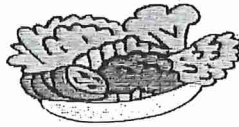

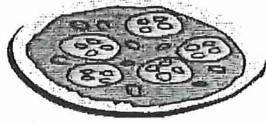

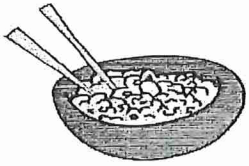

The 4th graders are off to a great start and are SO happy to be back at school! In reading this year, we are focusing on the different reading genres and have started the year out by learning more about realistic fiction. In math, we are learning more about place value and what standard and expanded forms of numbers mean. In religion this week we have been learning about Mother Teresa.

Powers and Dominions

In all of God's creation we see such splendor, beauty, mystery, and wonder. Within this creation there are beings with intellect and free will: humans and angels. This film explores the spiritual world, that very real but unseen realm: God, the human soul, angels, demons (fallen angels), spiritual warfare, the reality of demonic possession and exorcism, the dangers of the new age movement and the occult, and much more.
