A MESSAGE FROM FATHER MICHAEL . . .

God is always good and faith in God always helps to put the proper perspective on each moment of our lives. The readings this weekend remind us of the goodness of the Lord the blessings that God bestows upon humanity.

The Gospel is a reminder that love of God should be at the heart of all that we are, say and do! When we love God above all things that helps us to orient our lives. It also frees us from all that is truly unnecessary. Jesus explains how his followers can be a blessing to others and it is the words and actions that help convert people to faith in Jesus.

As we celebrate our Independence Day this week, we realize the great gift of freedom. Our nation was founded to be home of the free and land of the brave! The Christian understanding of freedom is that the believer is free to choose God above all else. In choosing God we have everything and without God we have nothing. Since God has given us free will and intellect, only we can make the decision to follow God's ways. It gives God great glory when we choose God's ways and God is able to fill us with great joy!

God bless you,
Father Michael Kaluza

Exciting News! Due to your generosity, statue painting has begun, and church painting is scheduled to begin in July. Scaffolding will be up for approximately 3 months.
