## A MESSAGE FROM FATHER MICHAEL . . .

### Catholic Schools Week

The Gospel reminds us that Jesus grew up in Nazareth and received his training and education there. Training and education are essential to any life of faith and necessary for worship. Learning the faith takes time and practice. Upon his return to the synagogue in Nazareth all looked intently at him as they marveled at his knowledge and wisdom. The Church continues to teach and preach the message of the Gospel to bring all to follow Christ as the way, the truth and the life. In our own parish, we are blessed with a special ministry that allows us to continue the tradition of educating in the faith with our own parochial school.

We begin our celebration of Catholic Schools Week and I want to draw your attention to the importance of Catholic education. I speak from experience as I was also blessed with Catholic primary and secondary education.

The theme is "Catholic Schools: United in Faith and Community." Catholic schools have an irreplaceable role in the Church's evangelizing mission. Building on the central goal of Catholic schools to form saints, Catholic schools teach and embrace the whole person, body, mind and spirit. The fact that all members of a Catholic school community share the Christian vision of faith that Christ is the foundation of Catholic education is what unites the school as a faith-filled community.

Catholic Schools Week is an annual celebration of Catholic education. We begin with a waffle breakfast following Sunday Mass! I hope you will enjoy and participate in that celebration! Our school is truly a parish treasure and we value Catholic education and recognize the great contribution our school offers to the life of Our Lady of the Prairie. I hope that all parishioners will consider sending their children to our parish school! We have much to offer and are grateful for the blessings of the school.

God bless you,  
Father Michael Kaluza

Let my prayer  
rise up  
like incense  
before  
You

Psalm 141:2

Please pray for . . .
