A MESSAGE FROM FATHER . . .

The Lenten Disciplines

As the Holy Season of Lent begins we return to the customary Lenten practices of prayer, fasting and almsgiving. They are the recipe for embracing a good spiritual life and an authentic relationship with God. We have to empty ourselves to make room for God to fill us with his life and his love. We rid ourselves of all that hinders our preparedness for God in our life to become ready to be his vessels of love.

Since God is love and creation is an act of God, the origins of the world show God's love. We are made in the image and likeness of God and our existence is called to imitate the creator or reveal love. Already in the very beginning, temptation began and sin entered the world. The choice must repeatedly be made to choose good and avoid evil. It is an on-going battle with evil facing humanity.

Lent is an opportunity to experience change and return to the ways of God. It always leads to the joy of Easter. We are very early in our journey and need the reminder to pray often and be in communication with God. Our fasting reminds us that only God can satisfy and almsgiving covers a multitude of sin. We have that opportunity to be faithful to God and make the necessary changes in our lives.

Additional opportunities for prayer include attending Stations of the Cross on Fridays. I hope you will take part in this beautiful prayer of the church that recounts the great love of Jesus for us and all that he endured in his passion and death for our redemption and salvation. Every Catholic family should take seriously this beautiful devotion. And on four Fridays the Knights of Columbus will host a fish dinner. Please take part in these wonderful opportunities and make sure Lent this year takes a firm hold on us!

God bless you,
Father Michael Kaluza
