This weekend we welcome Father Joseph Madanu for our annual missionary appeal weekend. Please welcome him and be generous to assist with the needs of the Diocese of Guntur. I look forward to praying with you next weekend!

God is always good and faith in God always helps to put the proper perspective on each moment of our lives. The readings this weekend remind us of the Lord's goodness and the blessings that God bestows upon humanity. We have received many blessings and owe a debt of gratitude for the gifts given to us.

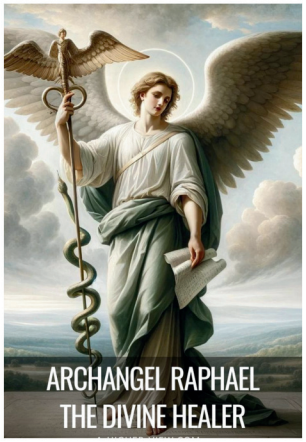

The Gospel is a reminder that love of God should be at the heart of all that we are, say and do! When we love God above all things that helps us to orient our lives. It also frees us from all that is truly unnecessary. Jesus explains how his followers can be a blessing to others and it is the words and actions that help convert people to faith in Jesus.

God bless you,

Father Michael Kaluza

Missionary Cause, Diocese of Guntur, India

The Diocese of Guntur is a mission diocese. It is located in the Southern part of India. At present there are about 529,770 Catholics in the Diocese over a population of 5 million. There are 103 parishes with nearly 500 mission stations. About 80% of the people in our diocese live in poverty. To help the children of these families (below the age of 14 years) we are running 61 Boarding Homes. About 3000 children are residing and studying in these boarding homes. Some of these children don't have parents and some of them have lost one of their parents. Your help and support will go towards helping these poor children. The diocese provides support for these orphanages/boarding homes every year. Apart from the local support we receive every year we have to raise about $200,000 through missions each year which would directly go in support of providing education, food and boarding to the children living in our boarding homes.

Let me also bring to your attention that providing places of worship in some of our mission stations is also a big challenge for us at this time. In some of our mission parishes since we have no churches the priests of these parishes gather the people in different houses to celebrate the Eucharist. The Diocese has to build chapels and churches in a good number of these mission stations of our diocese. In some of the mission parishes we do not have rectories for the priests to stay. They are residing in rented apartments. It costs about $30,000 - $35,000 to build a chapel / rectory. At this time as a mission diocese we are in need of your generous love and support to continue the missionary work in our diocese. Your help would directly benefit the orphan children and the poor mission parishes of our mission diocese.

I will be coming to your parish – Our Lady of the Prairie on the **weekend of June 27-28** to speak to you about our missions during all of the weekend masses. Please prayerfully consider our diocese and financially be generous in giving your support to the needy of our diocese. If you are writing a check please make a check payable to your parish and please write the memo as "Missions." Thank you!

Yours in Christ Jesus our Lord,

Fr. Joseph Madanu

Catechesis of the Good Shepherd

This year in our Montessori atrium, children in preschool through third grade worked on nurturing relationships with the Good Shepherd through hands-on materials of the program. In Level II we do big projects and ponder on the deeper meaning of the presentations. The Atrium continues to be a peaceful space where children grow in faith by engaging in presentations and hands-on work.

MARKETING AND DEVELOPMENT

Family engagement and student retention remained a strong focus throughout the year. We achieved 100% retention of preschool students eligible to enroll in kindergarten and celebrated this milestone with embroidered school fleece jackets. New family-care initiatives, including welcome gift baskets for families welcoming a new baby, helped strengthen connections and reinforce our supportive school community. In addition, marketing, enrollment, and outreach efforts were documented and organized to support continuity and future growth. Together, these efforts contributed to a welcoming environment that encourages families to remain and grow with our school.
