October is Respect Life month. Crisis pregnancy centers serve both moms who need assistance, and their babies. Here are two crisis pregnancy centers we have worked with previously who could use financial donations. Thank you for any help, and please pray for these life-saving centers. We hope to collect baby/mom items again in the upcoming Lenten season. God bless you!

A Message from Father Kaluza . . .

The Privilege to be a Worker in the Lord's Vineyard

How lucky we are to be Catholic! The Mass readings remind us that above all it is a pure privilege to work in the vineyard of the Lord. At this time of year, we think about the harvest and the plantings that are collected for our benefit to tide us over for the winter.

Jesus tells us to bear fruit – good spiritual fruit that will last. We may pause to reflect on our own service to God and neighbor. As workers in the vineyard that God has finely prepared are we able to offer back to God a bountiful produce and good works? Will we find ourselves ready for the Lord's return? That is the challenge of our lives.

A prominent preparation is prayer and time with the Lord. It is pure luxury to be afforded a relationship with God and any relationship needs time and attention. I hope that we can make time and work on our relationship with God through prayer. It is the start to any profitable endeavor and the beginning of something wonderful! Prayer is also a good way to begin and end each day. Moreover, Mass is the best of all possible prayers.

Through our baptism in the passion, death and resurrection of Jesus, we have been made God's chosen people. God delights in sharing good gifts with us, do we generously respond to God's example? To live the Christian life is difficult, but it remains possible if we but first acknowledge God as the example that we desire to imitate.

Saint Paul reminds us in the second reading that if we focus on what really matters, the good, true, honorable, pure and just, we will find the peace of God. That's the secret to knowing when it is ripe to pick. I look forward to our parish communally producing fruit that will be abundant and last! All of us are needed for a really good harvest.

God bless you!

Marathon of Prayer

October 2 - 13, 2026

Sponsored by the Knghts of Columbus

Our Marathon of Prayer is quickly approaching. We are very excited to participate in prayer and walking to support our school and all of those requesting our prayers. All families are invited to participate. The proceeds from the Marathon are an instrumental portion of our annual budget. It helps supply core and supplemental cucrriculum along with helping with the overall budget to run the school. We are grateful for everyone who supports Our Lady of the Prairie Catholic School.

How It Works

- Students will seek monetary pledges for each lap they plan to complete.
- Students will ask for any specific prayer request you would like our school to pray for.
- Students will be walking a total of 20 laps on October 12th and 13th. They will be praying for your intentions along with a specific prayer for each lap.

We are seeking sponsors to match funds raised at levels of:
$250, $500, $1,000, $1,500, & $2,000

COLLECTIONS
Weekly Collection Goal: $8,344

A Word from Father . . .

As we begin a new school year, it is an exciting time with lots of anticipation. We expect this to be a year filled with the love and joy of learning, growing in holiness and devotion. Each Wednesday the children will be singing at Mass, generously sharing their talents with all who are able to worship that day. I hope that you will come for the joy that the children will share.

There is great enthusiasm in our halls with teachers dedicated to the Catholic mission of the school and families making sacrifices to ensure that their children will receive a Catholic education. I am very grateful for all that so many do to continue the tradition of our school. Please help to spread the word that our parish and school are moving in positive directions. You help to share the enthusiasm and joy all over Belle Plaine and I am appreciative.

God bless you, Father Michael Kaluza

Here's what's happening in the classrooms . . .

Preschool Room #1

Welcome to preschool! We are so excited that our preschool program has grown so much that we have needed another classroom!

With the beginning of the new school year means new friends and new teachers and new routines. The month of September has been all about that. During the month of September we learned about apples, did apple taste testing, apple crafts and to end it we took our first field trip to Ferguson's apple orchard.

We've learned a couple Bible stories. We did a rainbow science experiment using skittles and warm water to pull the rainbow colors off the candy to tie, in God's Promise.

Our other themes were all about Trees full of wonder where we would go explore the trees outside then discuss what we saw and draw those things as well. We have also been going to Mass every Wednesday, to music & going to the library. We look forward to a wonderful school year together.

Many Blessings,

Ms. Pint

Here's what's happening in the classrooms (continued) . . .

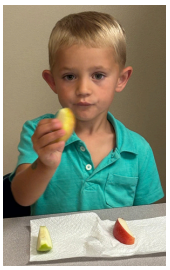

Preschool Room #2

We are so excited to welcome our new and returning preschool families. Our main goal is helping your child feel safe, loved secured in their new school routine. With our themes: "How Do Apples Grow/" an apple moves from a tiny seed to a mature tree that produces delciious fruit. The students learned the Life Cycle of an apple. Other activities include, Letters, Numbers, Shapes, and Colors. We attend weekly mass on Wednesdays along with Music and Library. We took our first field trip to the Ferguson Apple Orchard. The students had an enjoyable day.

Blessings to All, Mrs. Smith

Kindergarten

It has been a good start to the school year! The Kindergarteners have been working hard on the big transition. We have been working on many life skills, but most importantly, kindness. In one of our books, we read about school communities and in another about how we can fill our buckets, but also the buckets of others. In Believe and Read we have been focusing on letter formation. We also worked on listening closely to the sounds around us, so then we can listen closely to the letter sounds and identify the letter.

In Math we worked on sorting. We sorted objects that were different, alike, based on color, shape and size.

In Religion, we are talking about Jesus, and how we should always lean on him. He is our Good Shepherd; we are his sheep. We are excited to start Catechesis of the Good Shepherd soon.

Ms. Hardel

1st Grade

Hello Families,

As the new season begins, we're excited to share what has all been happening.

First grade and Kindergarten joined together in the outdoor space early in September to feel the grass, cement, sand, and tree bark with our feet! We enjoyed playing a tag game together as well.

Another fun start was learning how ice cream is made and then making some with coffee creamer pods!

We paired with second grade science learning about the first cartoon made and then followed up making flip books. We are also learning about animal traits in science class.

First grade is working hard with concepts in addition to ten. We are tapping out words, reading sentences, and learning about punctuation marks.

In religion we are learning about parables of the Kingdom of God and that God created everything out of love.

Blessings, Mrs. Hennen

2nd &3rd Grades

September has been a wonderful month filled with exploration, hands-on learning, and spiritual growth. Here is a look at what our second- and third-graders have been up to across our subjects:

Our class went on a field trip to Ferguson's Apple Orchard. The students had a fantastic time participating in hands-on activities and learning firsthand how an apple orchard operates as a business!

Reading and Language Arts: Grade 2: Explored the culture and geography of Venezuela, and learned about libraries.Grade 3: Traveled across the globe through stories about Paris, the Eiffel Tower, and unique foods like figs.

Math: Grade 2: Built confidence with addition facts within 20. Grade 3: Strengthened their number sense through place-value studies. Both Grades: Deepened their understanding through small-group math enrichment and interactive classroom practice.

Science and C- STEM: Our young scientists dove into fossils and shifting environments. We explored topics including animal habitats, changes over time, dinosaur evidence, and trace fossils through games and interactive activities. Additionally, students continue to enjoy and grow through our weekly C-STEM sessions.

Social Studies: Students began investigating diverse communities across the United States. We also stay connected to current events by reading and discussing Scholastic News twice a month.

Religion: Our faith continues to guide our days. This month, students: planned and actively participated in school Mass. Joined together in prayer during Divine Mercy and school Rosary. Attended weekly Catechesis of the Good Shepherd (CGS). Learned about Jesus' teachings on the Kingdom of God and the calling of the Apostles. Reflected on the life and virtues of Saint Clare of Assisi.

Blessings, Mrs. Eischens

4th Grade

The 4th grade is off to a great start to their school year! We recently traveled to Hocokata Ti for an engaging Native American Studies experience, where students had the opportunity to learn more about the history, culture, and traditions of the Dakota people. We also visited the Ney Center for a pond study, where students explored pond ecosystems and learned more about the plants, animals, and habitats found in and around the water. Back at school, we continue to care for and learn in our prayer gardens, making connections between stewardship, nature, and our faith. In the classroom, our Language Arts and Math learning is adding up well as students continue to grow in their skills and confidence. It has been a busy and blessed time of learning for our 4th grade Stars!

Mrs. Moonen

Music

We are off to a great start with music at OLP! My music room is now across the street in the Holy Childhood building. As our student body has been growing, I have been excited to witness the musical talent we have at OLP. We started the year off by having our older students participate in a cantor workshop. Cantoring is a big part of celebrating children's Mass. Younger students are reviewing sight singing and rhythms. Our preschoolers are singing and playing fun music games. I am excited for the school year and the amazing things we will accomplish!

Carolyn Gleason
School Music Instructor

ART

I'm excited to begin another school year of art at OLP and to introduce students to a variety of artistic genres and techniques!

K-3: Our first Famous Artist for this year is Henri Rousseau, a French self-taught artist who painted imaginative jungle scenes using Paris gardens and zoos as his guide. Students created a jungle scene paper collage that harkens Rousseau's "primitive" style.

4: In our first Global Art unit, we learned about the royal origins of kente cloth from Ghana and then made a paper version by weaving strips of patterned and colorful paper on a paper "loom."

Blessings,

Mrs. Vandermark

Physical Education

We are learning about exercising and how important it is to warmup before we begin play. It is a blessing to bring physical education twice a week to our OLP students.

God Bless!

Mr. Palo
