A Message from Father Kaluza . . .

Preparation for Discipleship

As we near the end of the liturgical year, we are offered readings that focus on the end times – something for which all of us need to prepare. And that is the basic message "to be prepared." In preparation for the end times, God has offered many graces in many ways. We always look first to Scripture, as it is God's own word written through human instruments.

The first reading from the Book of Wisdom tells us something about growing in virtue and learning wisdom, not only because of its own beauty, but because it allows us to notice the goodness of God in the world of creation. You and I are witnesses to God's magnificence and respond to God reaching out to us as his own beloved. We are always waiting to gain more graces to allow us to do more good.

The Gospel tells us that God will answer our call if only we know him. Jesus Christ is the Bridegroom of the Church and we need to ever draw near to the Church for our own salvation and the salvation of all. When we meet our own end on earth, we want to be found ready for heaven.

Our parish is under the patronage of the Blessed Mother and we can depend on her to always lead us to Jesus and do glorious things to spread the love of God throughout Belle Plaine.

God bless you!

Belle Plaine Police Department Toy Drive

PRESS RELEASE

November 1, 2026

Tis the season of giving, and once again the Belle Plaine Police Department is sponsoring the 12th Annual Toy Drive that gives brand new toys to children in need. From November 9th until December 23rd, the Belle Plaine Police Department will be accepting donations for the Belle Plaine Police Department Toy Drive. All donated toys will be distributed to local children who are far less fortunate.

Last year, the generous Belle Plaine community donated over 1,000 toys. The officers had a wonderful time giving back to the community last year, and hope this year will be just as successful. Unfortunately, some families will be unable to purchase gifts for their children this holiday season. This is an opportunity to help someone in need.

Collection will kick off on Monday November 9th. We will start distributing toys to families on Tuesday, December 8th. Although we will collect toys until Tuesday, December 23rd, we ask that you donate as soon as you can, so families can have a good selection of toys to choose from. All toys should be new and unwrapped. Gifts are accepted for children up to 18 years of age. Realistic looking toy weapons and gifts with food, if donated, will not be distributed.

Families in need of toys can call the Belle Plaine Police Department Monday through Friday (7:00 a.m. – 3:30 p.m.) to make an appointment to shop.

While purchasing items for smaller children is a pretty simple task, donors often wonder what to get pre-teens. We recommend sporting equipment, board games, books, hand-held electronics and gift cards.

Drop off locations will be at City of Belle Plaine, Belle Plaine Family Dental, Hardware Hank, Coborn's, First National Bank-Minnesota, Cornerstone State Bank, Matt Saxe Chevrolet, Our Lady of the Prairie Church, Trinity Lutheran Church, St. John's Lutheran Church, River Rock Church, Belle Plaine High School, Oakcrest Elementary, Chatfield Elementary, Kingsway Retirement Living, Spero Senior Living, Strait Smiles, Riverview Coffee and Belle Plaine Police Department.

Feel free to contact Belle Plaine Police Department with any questions (952) 873-4307, option #2.

& CLASSROOM REPORT

O.L.P. School News

IN CHRIST WE GROW

200 East Church Street, Belle Plaine, Minnesota 56011 OCTOBER, 2026

A Message From The Principal . . .

October Saint of the Month: Saint Luke, Pray for Us

We are so blessed

- Our Lady of the Prairie Catholic School is blessed with an incredibly talented, hard working team.
- CSCOE Summit of Excellence - Eight attended from OLP – rich learning opportunities
- Friday, October 23 Raking leaves service project (PreK-4th grades)
- Thursday, October 29 Great Pumpkin Bingo
- Students and families worked to support and exceed our Prayer Marathon goal of $13,000
- Thank you to our parishioners for supporting our Catholic School.

2026-2027 School Year

- Enrollment growth
  - Eleven new preschoolers and families have enrolled since Sept. 1st
  - 31 preschool students now enrolled
  - 65 Total students enrolled PreK-6th grade as of 10/26/26

Congratulations!

Student Saints of the Month:

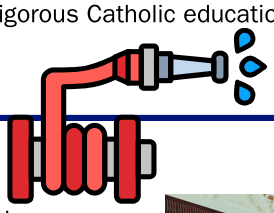

- Kindergarten - Emery Schneider
- 1st Grade - Elias Villanea
- 2nd & 3rd Grade - Evie Simon
- 4th Grade - Sadie Scheffler

A Word from Father . . .

As fall approaches, we are grateful for the blessings of school and learning. Education helps us to realize the omnipotence of God and all that he has bestowed upon humanity. In order to be good stewards of creation, we need to learn so that we can make the world a better place. As Christians we bring that unique flavor to the world that has the understanding of God as the author of all. Our duty is to become familiar with God's gifts and use them appropriately so that we can grow in holiness which makes us more like God. Since we have been so highly blessed our responsibility becomes to share those blessings and make God's love known to all.

Thanks to everyone for the success of our annual Prayer Marathon. It is an important fundraiser for our school, but even more is the opportunity to be together, do something for our own spiritual lives, and spend time with God. Prayer is simply that. My prayer is that our school may continue to provide a rigorous Catholic education in Belle Plaine for many generations yet to come.

God bless you, Father Michael Kaluza

Here's what's happening in the classrooms . . .

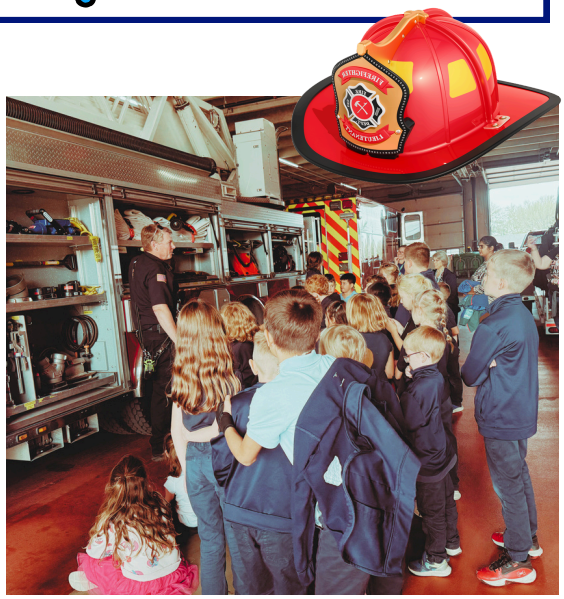

Preschool Rom #1

October has taught us all about praying the Rosary. They have become more aware of how they make the sign of the cross when praying, along with when they enter church and take Holy Water. They have worked on genuflecting upon entering/exiting church. They have also learned about safety, and being healthy.

All these things are learned at school but mostly by them being modeled to the students by those around them as they are always watching the adults around them, soaking everything up. So let us remember to model those behaviors as we go about our daily lives so that we may set a good/positive example for our youth.

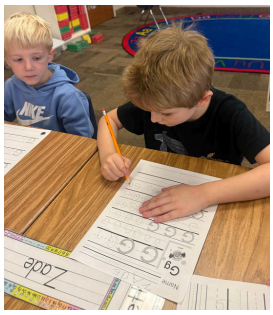

As we wrap up the month of October we look back on completing the Prayer Marathon and how we were thankful to everyone who donated to our school and asked us to pray for their special requests. Which brings us to the month of November where we give many thanks for everything in our lives.

Many Blessings, Miss Pint

Here's what's happening in the classrooms (continued) . . .

Preschool Room #2

Our students are enjoying new projects and have learned many things. This month we've been busy writing, counting, and sounding out words. This time of year is always such an exciting period of developing, sharing, making new friends. A few themes we explored are Fire Prevention & Safety, the students took a walk for a tour of the Belle Plaine Fire Department. "Nutrition" theme, learning healthy eating and the food groups. Also,"Harvest and Pumpkins" the students enjoyed learning the Life Cycle of a pumpkin and were able to recognize the five steps of the cycle, (seed, sprout, flower, green pumpkin, orange pumpkin). "Harvest" theme: we talked about the crops, equipment farmers use during harvest time. The students also enjoy weekly Catechesis of the Good Shepherd, they have been learning about the altar and the important items used in Mass. Lastly, we enjoyed our Halloween themed fun activities and school parade.

Harvest Blessings, Mrs. Smith

Kindergarten

This month was full of busy fun! Kindergarten participated in the Prayer Marathon, learned about Monarch Butterflies with Scott County, went to the Monarch Butterfly Institute to see where our compost goes, and we also went to the Belle Plaine Fire Station during fire safety week. We painted pumpkins, and made pumpkin sun-catchers.

In Believe and Read, we worked on the letter a, c, and I. We worked on the letter name, sound, and recognition in words.

In Math, we worked on counting, comparing and understanding numbers 0-5. Kindergarten is working really hard on writing our numbers and learning work form.

In Religion, we learned about the friends of Jesus. Kindergarten started CGS and are becoming more and more reverent!

In Social Students, we learned about the role of Firefighters, and in Science we learned about Autumn and how pumpkins grow.

Ms. Hardel

1st Grade

First Grade has been filled with blessings in the month of October! Our written and spoken words are starting to grow from basic three sounds words to five sound words. Learning the rules of the English language is so interesting to a student.

Hearing the announcement that our school's Prayer Marathon goal was exceeded definitely got cheers of joy from our room.

We are learning about maps and traits of animals - God's creation is amazing!

Mrs. Lemke

2nd & 3rd Grades

In the month of October the highlight was our school's marathon. Students prayerfully walked two afternoons to raise money for our beautiful school. Thank you to the OLP community who supported our students and school; your immense generosity is greatly appreciated!

Our class went on several field trips this month; Monarch Joint Venture, Belle Plaine Fire House, SCSC Science and Nature Conference, Dodge Nature Center, and Orchestra Hall. In house field trip- Scott County Prairie Education in our OLP School Garden. Here is a look at what our second and third graders have been up to across our subjects:

Reading and Language Arts: Grade 2: Deepened their understanding about gardens, how to garden, community gardens, and mice. Grade 3: Gained insight about turtles, reptiles and the seasons. Explored the culture and geography of Korea.

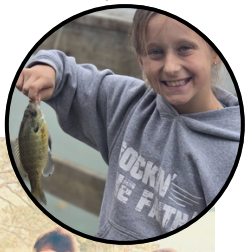

Math: Grade 2: Built confidence with subtraction within 20. Grade 3: Increased skills in addition within 100 and subtraction within 100.. Both Grades: Deepened their understanding in foundational math skills through small-group math enrichment and interactive classroom practice.

Science and C- STEM: Our young scientists studied the circle of life. Students explored topics including animal life cycles, environmental changes and engineering, pollination and plant reproduction through games and interactive activities. Additionally, students continue to enjoy and grow through our weekly C-STEM sessions.

Social Studies: Students continue to learn about diverse communities across the United States. We also stay connected to current events by reading and discussing Scholastic News twice a month.

Religion: Our faith continues to guide our days. This month, students: planned and actively participated in school Mass. 3rd Grade students attended an altar server refresher class. Joined together in prayer during Divine Mercy and school Rosary times. Learned about The Sermon on The Mount and Beatitudes. Reflected on the life and virtues of Saint Luke.

Enrichment: Students made homemade salsa from the produce of our school's garden. With pride students served salsa and chips to the entire school and staff. Blessings, Mrs. Eischens

4th Grade

Mrs. Moonen's fourth grade stars have been busy learning, exploring, and discovering through hands-on experiences both inside and outside the classroom!

We proudly participated in the 3rd Annual Hook and Cook at Cedar Lake Farms, where s tudents caught numerous sunfish, learned how to fillet them, and even enjoyed eating their catch! This exciting experience wrapped up our science lessons on pond ecosystems and fish anatomy.

Our outdoor learning continued with a visit to the Monarch Joint Venture Institute, where we checked on the progress of our food-waste composting project and learned more about the important role compost plays in caring for our environment and being good stewards of God's Earth. At the Ney Center, students collected seeds on the prairie while learning about native plants and the importance of preserving our natural spaces. We also visited the Belle Plaine Fire Department to learn valuable fire-safety lessons and how to stay safe in an emergency.

Back in the classroom, our learning has been just as exciting! In Social Studies and Language Arts, we have been discussing segregation and learning about Dr. Martin Luther King Jr. and his important role in the Civil Rights Movement. We are also exploring the regions of the United States in Social Studies and tackling very, very large numbers in Math as we strengthen our place-value and addition skills.

Music

Preschool music class has been so fun! Students are practicing singing their name and keeping steady beats. We've been singing songs about fall and practicing fast and slow motions.

Kindergarten and First grade classes are exploring rhythms. 2nd-4th graders will be attending Orchestra Hall this week for a performance of Tchaikovsky's Peter and the Wolf. We have been preparing them by studying different instruments of the Orchestra.

This year's Belle Plaine High School Drama Department's fall musical is "The Music Man". Performance dates are Nov 13-15 & Nov 20-22. We are excited to announce that there are seven OLP Alumni involved with the production. Break a leg OLP Alumni!

Carolyn Gleason, OLP School Music Instructor

Art

K-3: This month, we studied the "Princess of Polka Dots," **Japanese artist Yayoi Kusama**. Art brought a calming peace to Kusama when she struggled with her feelings. She was particularly drawn to polka dots and the shapes of pumpkins, featuring them in many paintings, sculptures, infinity room installations and more. Students drew their own pumpkins, painted them with polka dots and placed them on a "net" in the style of Kusama.

4: Our next project featured the Hawaiian Islands as we studied **Tiki sculpture,** deeply rooted in Polynesian mythology. Tikis represented deities or tribal ancestors in hopes they would bring protection. We discussed the similarities between Polynesian mythology and Christianity - including common themes in the Creation story - as well as major differences. Students then designed Tikis on paper, formed them in clay and painted traditional and non-traditional details.

Blessings, Mrs. Vandermark

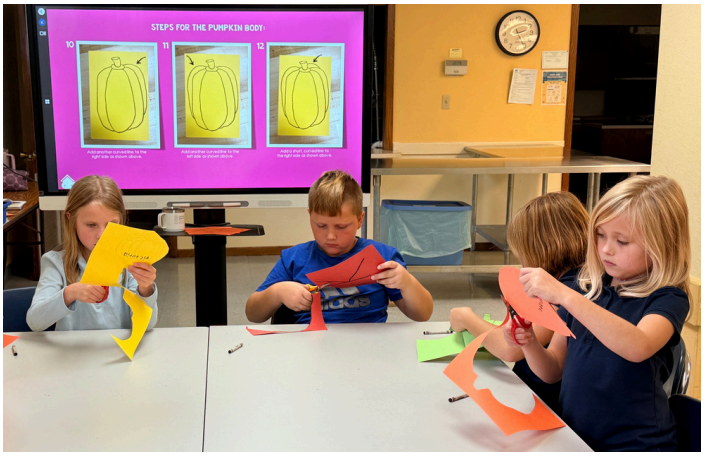

Physical Education

The wonderful October weather lended to opportunities for outside exercise and recreation. With new soccer nets, the students have been enjoying this activity.
